Election/Restrictions

1. Claim 1, as now amended, is generic to the previously identified species Groups I-IV, and claim 1 is allowed. Accordingly, the restriction requirement as to the encompassed species is hereby withdrawn and claims 4, 5, 7 and 8 directed to the non-elected species previously withdrawn from consideration as a result of the restriction requirement, are no longer withdrawn, and are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Examiner's Notes

2. With respect to the rejection of claim 3 under 35 U.S.C. 112, second paragraph, as set forth in paragraph 4 of the office action mailed April 3, 2006, after further consideration by the Examiner, it is clear that claim 3 is drawn to species Group II, as shown in Figures 5A and 5B. Claim 3 should have been withdrawn from further consideration pursuant 37 CFR 1.142(b) in the office action mailed May 3, 2006, however, since Applicant indicated that the claim was readable on the elected species Group I, it was examined on the merits by the Examiner, and subsequently rejected for being indefinite in view of the disclosure with respect to the elected species Group I. Therefore, the rejection of claim 3 under 35 U.S.C. 112, second paragraph is hereby withdrawn.

Allowable Subject Matter

3. Claims 1-8 are allowed.
